

2018 Spring Area 13 Assembly Follow-up Meeting

Meeting was opened at 4:30 p.m. by Janet D. with the Serenity Prayer.

Following are the topics and comments received.

- A. **Friday Night Spiritual Meeting** – there needs to be better notification of meeting and time; more effort is needed to make people aware that it is happening
- B. **Attendance & Participation** – same as before...more attendees are from host district. People were engaged, more interaction;
- C. **Reports given** – yes, enough time was allowed for reports
- D. **Timing of Meeting** – possibly doing delegate report prior to lunch...timing allowed was adequate. Give speakers a time limit and have a person make speakers aware of time remaining.
- E. **GR Exchange** - questions for GR Exchange need to be received prior to Assembly; A level of hesitation by new GR's to ask questions; possibly have a Service Manual scavenger hunt.
- F. **DR Exchange Breakfast** – redundant because reports are given in full at meeting
- G. **Workshop and Skit** – need to be earlier in meeting, more humor
- H. **Alateen Guidelines Discussion** – guidelines are clear, concise and well presented. Brief overview was sufficient
- I. **Delegate's Report** – Interesting and informative, darkening room and presenting right after lunch made it difficult to stay focused.
- J. **First Time Awards & Meet-n-Greets** – Went well, seemed to be enjoyed by all. Many members were not present a beginning of Assembly. Members need to be present when meeting begins.
- K. **Wrap-Up – Overall:** – Good assembly, nice accommodations, welcome to District 6 for sending a representative, info made available by our Delegate to committee and DR's.

Upcoming AWSC Meeting, July 21, 2018 – Kopper Kitchen, Boise, ID

The meeting was closed at 5:15 with the AI-Anon Declaration

Yours in Service,
Cheryl G., Area Secretary
