

DISTRICT SEVEN REPORT (February 17, 2025)
(Caldwell, Nampa, Middleton, Idaho and Ontario, Oregon)

District Seven has all of its trusted servants in place for the upcoming term including an active Outreach Coordinator.

We did lose the meeting that met in Cambridge, Idaho which had only two members attending on a regular basis. After much discussion and debate, those members decided to close the meeting. I am grateful to report that those two members are now attending my meeting on Thursdays at noon in Ontario. As of this report, District Seven has 10 meetings two of which are Spanish speaking. The Spanish speaking meeting in Caldwell on Saturday morning is not as well-attended as they would like it to be but they continue to remain open. We also have one very active Alateen meeting on Sundays in Nampa which has 4-9 teens in attendance regularly.

We had a district meeting scheduled for February which was cancelled due to snow and icy roads. It has been rescheduled for March 8th, 2025.

District Seven has been asked once again to host the Fall Into Recovery fundraiser for our AAISC (Area Literature Center). The event was well-attended in October 2024 and raised a very healthy amount of money for the Literature Center. I will keep the Area informed of the date and time.

We will once again be available for an outreach opportunity, Hands Around the Park in September. It is sponsored and attended by many Malheur County recovery groups each year. Al-Anon will be represented there again with Jan K. our Outreach Coordinator heading up the project. We give out pamphlets and are there to answer questions about Al-Anon.

Respectful and grateful Al-Anon member,
Jana Mehlhorn
District Seven Representative
